ACADEMIC PROGRAMS

Academic Programs

The Divya Jyoti Ayurvedic Medical College is an esteemed academic institution devoted to the provision of superior pedagogical instruction within the domain of Ayurvedic medicine. The collegiate curriculum encompasses a comprehensive undergraduate program, which is meticulously designed to cultivate proficient and erudite Ayurvedic practitioners.

This institution operates with the official sanction of the Ministry of AYUSH, Government of India, as well as the National Commission for Indian System of Medicine (NCISM).

The Bachelor of Ayurvedic Medicine and Surgery (BAMS) Program

The flagship and principal academic offering of the college is the Bachelor of Ayurvedic Medicine and Surgery (BAMS) program.

- **Duration of Study:** The BAMS program spans a duration of 5.5 years, which is composed of 4.5 years of prescribed academic coursework followed by a compulsory one-year rotational internship.
- **Curricular Framework:** The curricular framework represents a synthesis of classical Ayurvedic principles and subjects pertaining to contemporary medical science, thereby provisioning a holistic educational encounter. The course of study is structured into professional years, with subject matter distributed as follows:
 - **First Professional Year:** The initial year of study encompasses subjects such as Padartha Vigyan, Ayurved Itihas, Sanskrit, Kriya Sharir, Rachana Sharir, and the foundational text of Ashtanga Hridaya.
 - **Second Professional Year:** The second year involves the study of Dravyaguna Vigyan, Roga Nidan, Rasashastra, and the seminal work of Charak Samhita.
 - **Third Professional Year:** The third year is dedicated to Agadtantra, Swasthavritta, Prasuti Tantra Evum Stri Roga, and Kaumarbhritya Parichaya.
 - **Fourth Professional Year:** The final academic year includes Kayachikitsa, Panchakarma, Shalya Tantra, Shalakya Tantra, and instruction in Research Methodology.
- **Admissions Eligibility:** Entry into the BAMS program is contingent upon the applicant's score on the National Eligibility cum Entrance Test (NEET) UG. Prospective candidates are also required to have successfully completed their secondary education, with Physics, Chemistry, and Biology/Biotechnology constituting the obligatory core subjects.
- **Institutional Affiliation:** The college is formally affiliated with Mahayogi Guru Gorakhnath AYUSH University, located in Gorakhpur.

The overarching aim of this program is to prepare students for a diverse range of professional pursuits in healthcare, scholarly inquiry, and clinical practice, thereby fostering the integration of Ayurvedic medicine into contemporary healthcare systems.
